Built on Trust. Carried Forward with Pride.

Josh White Auctions, Inc. is honored to carry on a tradition of horse auctions built on 37 years of success, originally established by Harley D. Troyer Auctioneers, Inc. After a full year at the helm, we are grateful to say that with the same family values, integrity, and trusted reputation, it truly has been business as usual.

Founded by our parents on hard work, honesty, and respect for horses and the people behind them, this business has always been about more than auctions.

In 2025, we, Josh, Dianna, and our daughters Lauren, Jenna, and Rachael proudly stepped into that legacy, supported by Mom and Dad and our extended auction family.

Through the Colorado Draft Horse and Equipment Auction, the Mile High Select Sale, and the Mile High Summer Classic, we remain committed to the standards that built this business and to carrying it forward with care. This year's Mile High Select Sale is especially meaningful as we celebrate its 10th anniversary, a milestone made possible by the trust and support of our auction family.

To our buyers, consignors, and spectators, thank you for your continued trust and support. The legacy lives on because of you.

Family legacy.

Built on trust, carried forward with pride.
