SOUTHERN DUPONTE

"Jess" has been used on the ranch and has been patterned on barrels. Jess is not finished but is gentle enough for most any level of rider. Jess is heavily speed bred, going back to greats like Corona Cartel and First Down Dash. He should excel as barrel or rope horse. Stays broke with time off.

VIBRANT HOOK
"Smudge" stands 14 h.h. He has a very gentle and quiet personality. He has done all of the ranch chores. Drug calves at several brandings last spring, seen lots of outside miles, and also heeled in the arena quite a bit. Smudge was ridden last summer and fall by a 5-year-old boy and has never misbehaved. He is good with time off and will fit any level of a rider.

SJ JOE JACK COLONEL

"Gunner" has been used in big rough country, really travels out, sure footed, and super athletic. Would make a nice arena horse either on heel side or breakaway. He has drug calves to the fire, used to gather pairs and yearlings, tracking the sled on the heel side. Gunner is really calm and quiet. Should mature 14.3, nice, forgiving, gentle horse.

Hip 72 - 2013 Buckskin Quarter Horse Gelding

Consigned By: Macgregor Ranch

"Pinto" does it all on the ranch from having beginner riders on him, to being used to one-man doctor calves/yearlings with. Has a big motor as we have ridden 20 miles round trip packing fish gear up to an isolated pond through rough terrain and had more in him when we got back. Four black feet, no white saddle spots. Very sensitive leg pressure and seat broke.

Buster is a sweetheart to be around, and the perfect mount for the handy kiddo in the family, or grandpa that still wants to cowboy.
